

The 2021 Annual New York Highway Safety Symposium was held virtually. The top traffic safety issues in New York State were addressed at individual webinar sessions and included Cannabis and the MRTA, COVID-19 Impacts on Traffic Safety, Slow Moving Vehicles, Micromobility, Combating Motorcycle Fatalities and Traffic Safety with an Eye on Equity. Session recordings are available at GTSC's vimeo site <https://vimeo.com/nysgtsc>; choose Showcases to access Webinars and Trainings.
